Re: Peter Rutman Recommendation Letter

To Whom It May Concern:

It is with great pleasure that I write to you in recommendation of Peter Rutman. We've been working with Peter as a financial advisor for some time now, and he has a brilliant mind and an uncanny ability to make things happen. He has proven himself to be responsible and dedicated, and is a pleasure to work with. If I can provide you with any further information, I can be reached at 619-890-8911.

Kindly,

A handwritten signature in black ink, appearing to read 'Danna J. Cotman', with a long horizontal line extending to the right.
